2025 ANNUAL APPRENTICESHIP LUNCHEON

The AEN is excited to be hosting the 2025 Annual Apprenticeship Luncheon which also commemorates the 40-year anniversary of the Association.

This milestone marks four decades of collaborating with group training organisations and bringing together industry leaders, apprentices, and trainees to shape the future workforce.

Join us to hear from Andrew Giles, Minister for Skills and Training (Invited) and engage in meaningful conversation about how apprenticeships and traineeships are addressing youth unemployment and helping employers meet their future workforce needs.
