

# Are you planning for a new career pathway?

## Your next step could be an Apprenticeship.

Apprenticeships are available to people of any age. Mature Age Apprentices can typically reduce the duration of their apprenticeship with transferable skills and recognition of prior experience, many can qualify within 2 years.

Apprenticeships and Traineeships are offered in all types of industries, traditional trades, business, IT and warehousing to mention just a few.

The Victorian Government is providing financial assistance to employers who hire mature aged people affected by the closure of the Automotive Industry through the South East Automotive workers Transition program (SEAT).
