Local Jobs Plan

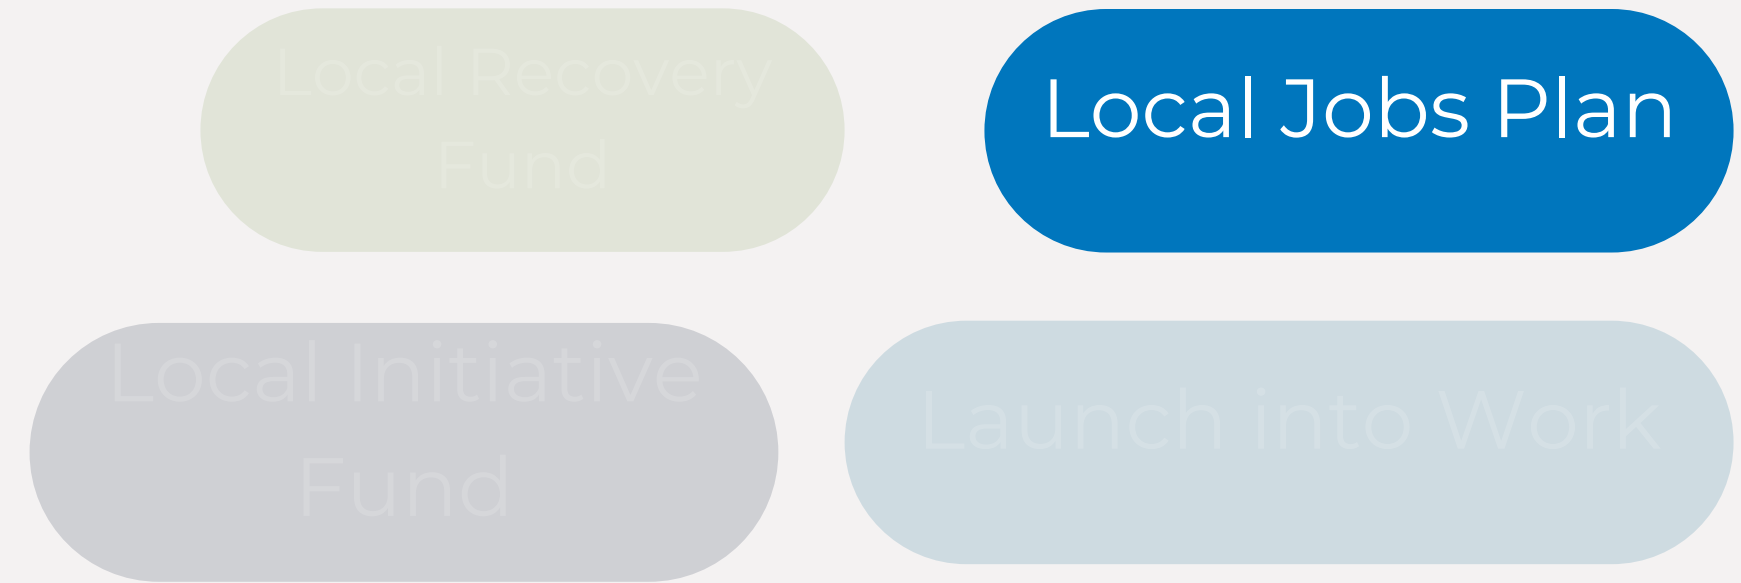

Local Initiative
Fund

Launch into Work

The Local Jobs Program provides a local presence for the department and assists in promoting and delivering the department's initiatives and programs. They liaise with their community to connect people with employment and training programs and work with businesses to maximise workforce outcomes.

Access to funding for projects and activities that provide local solutions to address barriers to employment through a Local Recovery Fund or the National Priority Fund.

02 - Local Jobs Plan

Local Jobs Plan:

The Local Jobs Plan sets out the training and employment challenges and priorities of the region, and associated strategies that will drive the design and implementation of projects to address these challenges.

Launch into Work

Launch Into Work

The Launch into Work program supports the delivery of pre-employment projects. These projects prepare eligible individuals for specific entry-level roles within a business.

The project is co-designed with the department and the hiring employer. A well-designed project gives individuals the skills, experience and confidence they need to start work. Projects include:

- training
- practical activities in the workplace
- mentoring.

07 - Program Highlights

Happow Hustle Hub - Youth Pre-Employment

Using a holistic approach and hands-on activities, we aimed to support young people to plan, engage, and understand the opportunities they have going forward into their futures.

The program was shaped around the Happow 6 pillars, career, health and wellness, money, relationships, community, and DIY.

Jobs Statewide, Happow & IMMÉR LJP worked together to create immersive experiences for TTW youth.

HAPPOW

07 - Program Highlights

Women in Trades - Tradie Bootcamp

The Tradie Bootcamp is a two-week program designed to prepare participants for success in the construction industry by equipping them with essential skills, a positive mindset, and crucial safety knowledge.

Key Learning Areas:

- Develop a positive attitude, effective communication, and professional presentation.
- Cultivate reliability, punctuality, and initiative for workplace success.
- Understand the power of teamwork and collaboration in achieving shared goals.
- Prioritise safety with a comprehensive understanding of workplace health and safety practices

07 - Program Highlights

Boosting Local Care Workforce Business Breakfast & Careers Expo

A collaborative event between care sector stakeholder
Western Melbourne & Inner Metro Melbourne - Local
Jobs Programs.

Our panel of experts tackled the tough questions our
audience always wanted to ask but never had the
chance to. This was followed by a careers expo which
had 139 participants attend.

Thank You
